

DIRECT-TO-CONSUMER BEER SHIPPING JUST GOT EASIER

HEADACHE FREE ORDER FULFILLMENT

Your advantages with Falcon:

Increase sales, build recurring revenue, and delight the raving fans of your beer!

Fast transport from your brewery to our distribution location via temperature-controlled FTL.

Same-day* order processing and shipping on your timeline to keep your product fresh.

Higher margins than wholesale and retail options.

84% of those who drink craft beer at least once a month wished to be able to buy directly from brewers and have it shipped to their home.

73% of this group stated their desire to do so has increased since the pandemic.
